SCHOOL TENNIS COACHING

HEY, IM JAKE!

WELCOME TO

JAKE CARRUTHERS SCHOOL TENNIS COACHING

Jake Carruthers Tennis Coaching is based at Sutton Churches Tennis Club in Surrey. We also provide after school and daytime tennis clubs for both primary and secondary schools.

Our team of passionate, committed and fully trained coaches deliver high quality and fun tennis sessions for children aged from three - seventeen years old.

The number one goal as a team is to help children become more active. Tennis is a fantastic way of making exercise fun, exciting and a skill for life.

Our ambition is to work in schools across the country helping an inactive nation become healthier and more passionate about sport and tennis.

All of our coaches are fully qualified, insured and have attended a Jake Carruthers School Coaching Training Course.

It is my dream to bring tennis to schools across the country and help get children active and smiling. I hope you would like to be part of that journey 😊.

“ help children achieve their dreams and also help children to believe in themselves ”

MEET JAKE

Tennis is an incredible sport. It is my absolute passion and its my dream to encourage more children to pick up a tennis racket in the UK. Tennis changed my life, which is why I'm so dedicated to giving back to children the opportunity that was given to me.

I started tennis at the age of 11 and loved it from the minute I hit my first ball. I would drive my parents crazy asking to play every day and it became a huge part of my life very quickly. After a lot of success in tournaments, when I reached 16, I was invited to attend Sutton Tennis Academy. I worked on my dream of becoming a professional tennis player and I became very close. Reaching the top 50 in England under 18s. When my school days were over, I decided to become a tennis coach. Here I realised my bigger passion. I love helping people of all ages become fitter, healthier and happier.

Tennis is an incredible sport and in many years as a tennis coach I have experienced the transformation of lots of children and have seen how it can truly enrich their lives. Their excitement when they are doing something they enjoy, watching them grow and learning new skills, helping them gain confidence in working individually and as part of a team, are only a few of the reasons why my passion is always growing.

I've recently helped several children at my tennis club gain enough knowledge and skill to be invited to play for Surrey Tennis. I have recently worked with SEN schools to show that the skills of tennis can be taught to children of all levels and abilities.

“Two FREE spaces per class for children who are eligible for free school meals.”

WHAT CLASSES DO WE OFFER IN SCHOOLS?

We offer a wide range of classes for all age groups and abilities. All classes focus on high energy coaching and the main goal is for children to have fun playing tennis.

NURSERY TENNIS

Our team of coaches offer daytime and after school sessions at Nurseries. The main goal at this age is to make tennis fun and exciting for children and to let them learn to love sport. At this stage we develop fundamental movement skills such as coordination, agility, balance and basic tennis skills.

We require minimal space for Nursery coaching and our team of coaches provide all necessary equipment.

PRIMARY SCHOOL

Our team of coaches offer daytime and after school sessions for Primary Schools. We provide tennis coaching from Reception to Year 6. The main goal at this age is to develop physical literacy and improve throwing, catching and hand eye coordination. At this age we also teach all the basic techniques in tennis and start introducing matches and mini competitions.

We require minimal space for Primary Coaching and our team of coaches provide all necessary equipment.
